Support Topic

Connect a Laptop to the Conference Room System

DISPLAY YOUR LAPTOP SCREEN ON THE CONFERENCE ROOM MONITOR

Instructions:

Touch the screen on the Extron Panel to wake it up	
Select **HDMI Laptop** on the panel	

Plug the usb-c adapter into your laptop	

Your laptop should now be showing on the monitor.

Use your preferred meeting platform to test the conference system webcam if needed.

Touch the **Help** button on the Extron Panel if you need tech support.
